

ENERGIZE YOUR STUDIO WITH NEW REPERTOIRE

Presented by

GAIL LEW

and

DIANE HIDY

The annual New Music Review presentation is a lively, fast-paced, informative, and practical session that is a regular feature each year at the Music Teachers Association of California State Convention. In this overview of **new piano music**, Gail Lew will focus on technical and pedagogical aspects of the repertoire along with ideas to promote artistic performance by students. Diane Hidy will demonstrate artistic performances of these new contemporary works at the piano. Teachers will receive a free packet of new piano publications with sheet music, promotional materials from major publishers, and a comprehensive handout containing pedagogical features in the music and leveling guidelines. guidelines based on the Certificate of Merit™ piano syllabus.
